Brief Summary of Selected Substantive Portions of this Response

[0001] This communication is responsive to and traverses the most recently mailed office action. Arguments are presented herein to show from the record that not all of the claimed features have been rendered obvious by the cited art, and accordingly that the Examiner has not established a prima facie case of obviousness. Amendments herein are made to address the § 112 rejections.

[0002] This brief summary does not represent the Applicant's full response to the Action. Rather, it is merely an overview of selected substantive portions of the response herein.
